

Glen Hansard, Love Don't Leave Me Waiting

Lover, you've been hesitating
You've been hanging on for that far too long
And lover you've been leaving me waiting
And I don't know why it is I've done

And lover, don't leave me guessing
Oh lover, don't leave me here
Show yourself to me

And time you've been a-wastin'
You've been running out on me
And town you've been a-talkin'
You say what you really mean

And lover, don't leave waiting
Oh lover, don't leave me here

And lover, don't leave me guessing
Oh lover, don't keep me here
Show yourself
Show yourself to me

And lover, don't leave me waiting
Oh lover, don't keep me here

And lover, don't leave me guessing
Oh lover, don't leave me here
Show yourself to me
