Glen Hansard & Marketa Irglova, Leave

I can't wait forever is all that you said Before you stood up And you won't disappoint me I can do that myself But I'm glad that you've come Now if you don't mind

Leave, leave, And free yourself at the same time Leave, leave, I don't understand, you've already gone

And I hope you feel better Now that it's out What took you so long And the truth has a habit Of falling out of your mouth But now that it's come If you don't mind

Leave, leave, And please yourself at the same time Leave, leave, Let go of my hand You said what you have to now Leave, leave, Let go of my hand You said what you came to now Leave, leave, Leave, leave, Let go of my hand You said what you have to now Leave, leave...
