

Glen Hansard & Marketa Irglova, This Low

We made a plan that was subject to change
So whatever was it works out we both get the blame
In the arms of this low
And you took the wind right out of my sails
By sweating me out on all the little details
In the arms of this low
In the arms of this low

So thread the light
So thread the light

We made a choice and we knew we would pay
For stealing the joy and trying to escape
From the arms of this low
And if by some chance you break from the pack
You know I'll be waiting to welcome you back
Into the arms of this low
In the arms of this low

Thread the light,
Thread the light,
Thread the light,
Thread the light,
Shine the light,
Don't hide the light,
Live the light,
And give the light,
Seek the light,
And speak the light,
Crave the light, and brave the light,
Stare the light,
And share the light,
Show the light,
And know the light,
Raise the light,
And praise the light,
Thread the light,
And spread the light.
