

# Glenn Frey, Don't Give Up

Baby, I been thinkin' about you  
I couldn't get to sleep last night  
Maybe I been too long without you  
I'm tryin', but it just ain't right  
I know that I did you wrong  
I can't get it out of my mind  
I know that I said that I'm sorry before  
But I beg you to listen this time  
Don't give up. Countin' on you  
Don't give up. If you still love me too  
Don't give up. We can make it somehow  
Don't give up. Don't give up on us now

Baby, I heard all about him  
But I don't want to know his name  
And maybe you got reason to doubt him  
I know his lovin' ain't the same  
I think about you at night  
I can't get you off of my mind  
I know that I said that I'm sorry before  
But I beg you to listen this time

Don't give up. Countin' on you  
Don't give up. If you still love me too  
Don't give up. We can make it somehow  
Don't give up. Don't give up on us now

Baby I know you can hear me  
We gotta give it one more try  
Maybe we thought it was over  
But this love's too strong to die  
I need you to come back home  
I'm layin' it all on the line  
I know that I said that I'm sorry before  
But I beg you to listen this time

Don't give up. Countin' on you  
Don't give up. If you still love me too  
Don't give up. We can make it somehow  
Don't give up. Don't give up on us now  
Don't give up
