

Glenn Frey, It's Your Life

It's your Life,
Do what you got to do.
It's your dream,
And sometimes dreams come true.
I just want to say,
I believe in you.

It's your heart,
That tells you right from wrong,
If you leave too soon,
or if you stay too long.
If it's meant to be,
only time will tell.
If you have to leave,
then I'll say farewell.

It's your life,
Do what you got to do.
If it's here with me,
or with someone new.
I know it's hard,
but it's up to you,
It's your life.

It's your life,
do what you got to do.
it's your dream,
you've got to see it through.
When the road gets rough,
and you're feeling blue,
When you've had enough,
I'll be there for you.

It's your life,
you do the best you can.
If you want my love,
oh darling, take my hand.
God knows I love you,
but I understand,
It's your life.
It's your life.
