Glen Frey - Part Of Me, Part Of You

I felt it when the sun came up this morning  
I knew that I could not wait another day  
Darling, there is something I must tell you  
A distant voice is calling me away

Until we find the bridge across forever  
Until this grand illusion brings us home  
You and I will always be together  
From this day on you'll never walk alone

You're a part of me, I'm a part of you  
Wherever we may travel  
Whatever we go through  
Whatever time may take away  
It cannot change the way we feel today  
So hold me close and say you feel it too  
You're a part of me and I'm a part of you

I can hear it when i stand beside the river  
I can see it when i look up in the sky  
I can feel it when i ...  
So many miles to go before i die

We can never know about tomorrow  
But still we have to choose which way to go  
You and I are standing at the crossroads  
Darling, there is one thing you should know

You're a part of me, I'm a part of you  
Wherever we may travel  
Whatever we go through  
Whatever time may take away  
It cannot change the way we feel today  
So hold me close and say you feel it too  
You're a part of me and I'm a part of you

I look at you your whole life stands before you  
I look at me and I'm running out of time  
Time has brought us here to share these moments  
To look for something we may never find

Until we find the bridge across forever  
Until this grand illusion brings us home  
You and I will always be together  
From this day on you'll never walk alone

You're a part of me, I'm a part of you  
Wherever we may travel  
Whatever we go through  
Whatever time may take away  
It cannot change the way we feel today  
So hold me close and say you feel it too  
You're a part of me and I'm a part of you

part of you, part of me, part of you  
part of me, part of you
