

# Glenn Frey, The One You Love

I know you need a friend  
someone you can talk to  
who will understand  
what you're going through  
when it comes to love  
there's no easy answer  
only you can say  
what you're gonna do  
i heard you on the phone  
you took his number  
said you were alone  
that you will call him soon  
isn't he the guy  
the guy who left you crying  
isn't he the one  
who made you blue...oooh  
when you remember those nights in his arms  
you know you got to make up your mind

Chorus:

are you gonna stay with the one who loves you  
or are you going back to the one you love  
someone's gonna cry when they know they lost you  
someone's gonna thank the stars above

what you gonna say  
when he comes over  
there's no easy way to see this through  
all the broken dreams  
all the disappointment  
oh girl...whatcha gonna do?  
Your heart keeps sayin it's just not fair  
but still you gotta make up your mind
