

# Glenn Hughes, Don't Look Away

If I could give you something  
I would give you my soul to you  
And I would never leave you  
Now what am I to do?

The valley that we walk through  
Is filled with despair  
Life is a lonely river  
But I'll be waiting here

Be still, be here, don't hide from me  
Just try to be the one that you can  
Time to remember  
And try to discover

Don't look away

The elevator moves slowly  
And I can hardly catch my breath  
And I would never scold you  
I'll see it through

Jag & amp; auml;lskar dig  
Jag beh& amp; ouml;ver dig nu  
Min lilla blomma

Jag & amp; auml;lskar dig  
Jag beh& amp; ouml;ver dig nu  
Min lilla blomma
