

# Glenn Hughes, If You Don't Want Me To

this is the time  
this is the place  
so don't hold back  
I need to feel your warm embrace  
ever so tenderly and - oh baby

there's no time for hatred  
there's no time for war  
and there's no anger in my body anymore  
'cause I have learned to love  
learned to love again

no, I won't fall to pieces  
no, I won't be that way  
'cause I have tasted freedom  
in the things I say

Chorus:

can I hold you close  
let me feel you near  
and I will never let you go  
if you don't want me to

just say the word  
and I will be there for you darlin'  
you know I hunger for your touch  
and there's no time for sadness  
and there's no time for pain  
and there's no time for sorrow  
I'm free again  
and I will be this way  
forever, and ever and ever

can I hold you close...

here is the body  
let's break the bread  
let's drink the wine from a cup of happiness  
and I will never leave you  
in winter, spring or fall  
'cause I have grown to love,  
each day I love you more  
'cause I have always been  
the one you've been waiting for

no, I won't fall to pieces  
no, I won't be that way

if you don't want me to  
if you don't want me to  
if you don't want me to

this is the time  
this is the place  
so don't hold back  
I need to feel your warm embrace

there's no time for hatred  
and there's no time for war  
there's no anger in my body anymore  
'cause I have always been  
the one you've been waiting for  
I will never let you go

if you don't me to
