

# Glenn Hughes, Maybe Your Baby

Do you know how I feel?  
Can you feel it?  
I'm talkin' to you...  
I'm feelin' down, some kind of lovin'  
Cause my baby done left me here

Heart is blazin' like a five alarm fire  
And I don't even give a care  
I feel like the world has turned on me  
My dreams turned to ashes right in front of my face  
I'm gettin' kind fo worried  
And I feel so all upset, M-hmmmm...

Maybe your baby done made some other plans  
Maybe your baby done made some other plans  
I feel like cryin'

In the mornin' when I got a heartache  
I can't call up the doctor for help  
Cause the only person that could ever do me any good  
Is sleepin' out with my best friend  
I feel like I'm slippin' deeper  
Slippin' deeper into my shell  
And I just can't take it  
This stuff is scarin' me to death

Maybe your baby done made some other plans  
Maybe your baby done made some other plans  
I feel like cryin'

My baby's OUT OF WORK  
Sittin' in THE circle  
Checkin' out the guys that are passin' by...  
by...by...by...by...by...by

Maybe your baby done made some other plans  
Maybe your baby done made some other plans...  
No other man can love you like I can

Maybe your baby done made some other plans  
Maybe your baby done made some other plans

Can you feel it?  
I got plans for you baby  
Oh Yeah, Oh Yeah, Yeah  
I just can't take it any more

You know I don't want any trouble  
Now I ask myself  
Do you want me baby?  
Do you want me baby?
