

Glenn Hughes, Muscle & Blood

Somebody's waiting
With a gun in his hand
Standing in the shadows
He's making a plan
But he don't see nobody
Only a fool would mess with the boy

Lying in the gutter
In the dead of the night
I'm looking for the answers
I'm hoping that it's right
I won't hurt nobody only a fool would mess with me boy

Wishing and praying there's nothing you can do
Nothing can stop me, nothing can stop me

I'm a man made of muscle and blood

I'm watching and waiting
Do the best that I can
Standing in the shadows
I'm gonna make my stand

Wishing and praying there's nothing you can do
Nothing can stop me, nothing can stop me, nothing can stop me
I'm a man made of muscle and blood
I'm a man made of muscle and blood
A man made of muscle and blood
I'm a man pumping muscle and blood
A man made of muscle and blood
