

Glenn Hughes, Neverafter

I've been walkin' in these shoes
Now I just want to bring you the news
I feel the karma comin' on
And I don't want to be here alone

I am from another world
Connected to the wire

Communication, I spill the wheel
But you just want to know if I'm real!
I feel the goodness, cut like a knife
That's how I'm gonna live my life

And I don't know I might have been

A victim of denial

Do you receive the stone
From your master?
Do you believe, in life neverafter?

I'm not the same boy I used to be
Now there lives a man inside of me
Great expectations burn deep within
And I just want to see you again

And I cry to be strong
I can tell something's wrong
I've been here all along
