

Glenn Hughes, Too Far Gone

It was only a matter of time
Trip on the world like before
When you did your crime

You were blind in the sun
You gave me a midnight dance
My beautiful one
All alone, such a long way from home

Now you're gone, you're too far gone
Overcome, you're too far gone

Days they come and go
Desire to give yourself

Believe and to know
I'll be there by your side

You're taking a midnight run
You know you can't hide
All alone, such a long way from home

Lonely, how will you fair?
Just like the wind on the wreck
Lip against the sail
You will come back to me
As sure the sand on the shore
Lies beneath the sea
