

Glenn Kaiser, Acceptable

All could never be enough to fully pay my debt
For all the wrong I've done
Now You say it is enough that I accept the Gift
The offering of Your Son

Chorus:

Jesus, Sacrifice, Acceptable to God
Jesus paid the price I owed
Gave me new life for old

All could never be enough to demonstrate my worth
My value or my merit
Now Your grace is grace enough
Your love is love enough
Adopted I inherit
