

Glenn Kaiser Band, Homesick Blues

Oh Lord, Lord, Lord,
I just don't wanna be alone
I been travelin' so long
I got to find my way back home

It's comin' rain, rain down,
rainin' down upon my head
Some days I know though I'm livin',
Lord, I feel like dead

Well, lightnin' strikes from
over in the east straight west
I been holdin' too long,
holdin' it beneath my vest

I need love sweet love, Honey,
I'm, you know I'm comin' home today
Oh, let your love rain down, now you
know I'm on my way

I'm on my way,
Lord, you know,
God, I will be on my way
Yeah, yeah, I'm comin' home!
