

Glenn Kaiser Band, The Day Love Died

Love don't force you to accept the truth
Love ain't just about use and abuse
Love is patient, love is kind
The world is burnin' for this love of mine
You don't wanna listen to a word I say
You don't wanna face
your own judgment day
You don't wanna know
what comes from above
But all I wanna talk about is His love

I didn't start it–I tell you no lie
Love rose three days from when it died
Yes He did

Well, people walkin' around like animals
People hurtin' people like criminals
We build a jail and lock ourselves in
You either got love or original sin

I can't contain it–Oh, I tell you no lie
Love rose three days from when He died
Yeah, yeah!
