

Glenn Kaiser, Cause My Heart

Cause my heart to fear Your name
Cause my life to reveal the same

Let the holiness from Your throne
So mark me as Your own
Cause my heart to fear Your name
Cause my life to reveal the same

In the purity of Your love
Touched by fire from above
Cause my heart to fear Your name

Cause my mouth to exalt Your worth
Cause my soul to rejoice in new birth

In the majesty of Your grace
Send your Spirit to this place
Lord and Christ, last and first
