

# Glenn Kaiser, Got A Hold On You

I been broken, I have lost in love  
I've been cheated, mistreated  
Yeah, I have lost in love  
But one thing is for certain  
I know I ain't the only one

Sometimes I been the victim

I got a hold on you an' I won't let go (2x)  
I'm gonna move your feet  
Gonna move your soul

I got a hold on you (5x)  
An' I know that you love me too

Love is eternal  
Love doesn't end  
Love is eternal  
Love never ends  
You know I love you  
I'll prove it again and again
