

Glenn Kaiser, Holy Fire

Spirit come and fill us now
Wind and Holy Fire
Move upon, within, without
Lead to Your desire
Grant us knowlege of the Son
Will and Word and Thought be done
Worship Three and worship One
With the heav'nly choir

Praise to God and grace to man
Holy, Sovereign, Great I Am
Lord of Lords and Risen King
Healing mercy in Your wings

Son of Morning, Son of Man
Gift and fruit at Your command
Blessing promised, blessing planned
Spirit fill again
Spirit fill again
