

# Glenn Kaiser, Marry Me

Call it old-fashioned, I don't care  
Call it anything you'd like, fair is fair  
And I love you, and I need you  
And this will never change  
From the risin' of the sun 'til the daylight fades

Marry me, marry me, Wendi, marry me girl  
I wanna live with you, I wanna die with you  
Wanna know you now like I'll know you then  
Wanna stay with you forever, wanna be with you

I'm not talkin' no one-night stand  
And I'm not sayin' I'm some great find  
But I want us together today, tomorrow, 'til the end  
In spirit, in body, in soul, and in mind

(BRIDGE)  
Love is patient, love is kind  
Love is what I want to rule my heart and my mind  
Girl His love is what will see us through  
Jesus' love for me and you

Marry me, marry me girl  
I wanna stay with you forever  
I wanna be with you
