

Glenn Kaiser, My Strength, My Song

He will not lead me
To temptation
He has never
Left me alone
He doesn't slumber
Or sleep
And forever
He is enthroned

His voice is
Like many waters
His angels
Watch over me
He is Father
To sons and daughters
And His Spirit
Sanctifies me

He overcame hell
To win me
He suffered death
Though He did no wrong
And His mercy is new
Every morning
He is my Strength
And my Song

All eyes
Will look upon Him
And every
Knee will bow
Every voice will cry
"Jesus is Lord";
He is coming
In the clouds
