

Glenn Kaiser, Sanctuary

Make my soul a sanctuary, where You are
Take my heart and touch with mercy, Morning Star

Every perfect gift comes from You
Glorify Yourself in all I do

Spirit fill me to Your pleasure
Take me Lord
Do Your will in fullest measure
Hold me Lord

Every perfect gift comes from You
Glorify Yourself in all I do
Jesus, precious Prince of Peace

Take me Lord
Through Your blood I am released
Holy Lord

Coming soon complete the story
Where You are
To the Father's grace and glory
Morning Star

Every perfect love comes from You
Jesus, glorify yourself in all I do
