

# Glenn Kaiser, Sanctuary

Make my soul a sanctuary, where You are  
Take my heart and touch with mercy, Morning Star

Every perfect gift comes from You  
Glorify Yourself in all I do

Spirit fill me to Your pleasure  
Take me Lord  
Do Your will in fullest measure  
Hold me Lord

Every perfect gift comes from You  
Glorify Yourself in all I do  
Jesus, precious Prince of Peace

Take me Lord  
Through Your blood I am released  
Holy Lord

Coming soon complete the story  
Where You are  
To the Father's grace and glory  
Morning Star

Every perfect love comes from You  
Jesus, glorify yourself in all I do
