

Glenn Kaiser, Tapestry

As ocean waves are to the shore
As gentle rains to the sea
As starlight on the waters
So you are to me
We shall scale the mountains
Conquer the valleys too
Come wind, come rain, come Jesus
His love will see us through
Master Weaver, use us well
Two lives You weave as one
Oh, make of us a tapestry
In which Your beauty runs
In which Your beauty runs
Today you rose to greet me
As the daylight awoke the dawn
Our love is just beginning
But shall go on and on
