

Glenn Kaiser, Throw Down Your Crowns

Chorus:

Throw down your crowns before His throne
On holy ground He makes you His own
All must bow down before Him alone
Our God is worth to be praised

Lift up your hands, don't be afraid
For His good pleasure we have been made
His heart's desire that we'd be saved to worship
Jesus who is raised

Offer your life it's all you can give
Reckon your all only a gift
He gave His life that we might live in Jesus
Worthy of all praise

Worthy is, Holy is, Jesus is his Name
Master is, Savior is, Jesus is His Name
