## Glenn Kaiser, Throw Down Your Crowns

Chorus:

Throw down your crowns before His throne On holy ground He makes you His own All must bow down before Him alone Our God is worth to be praised

Lift up your hands, don't be afraid For His good pleasure we have been made His heart's desire that we'd be saved to worship Jesus who is raised

Offer your life it's all you can give Reckon your all only a gift He gave His life that we might live in Jesus Worthy of all praise

Worthy is, Holy is, Jesus is his Name Master is, Savior is, Jesus is His Name
