

Glenn Kaiser, Wind Me Up

Wind me up or take me right down
Rock me in Your sweet embrace,
Cause my heart to pound
Fill me with the holy joy, take me to my knees
It's all alright, I'll walk where You walk with me

(BRIDGE)

Blessed my soul with the light of life
My God I can't conceal

You took my heart of stone
You made my heart to feel
You are my day and night
You are my Sacrifice
and You're real

Start me up, Lord, cause me to stand
So when the storm clouds hit
I ain't holdin' on to sinkin' sand
You're comin' back, keep me lookin' up
In Your sweet sweet grace
Keep remindin' us of Your love
