

Glenn Kaiser, You Are All To Me

Chorus:

You are all to me

You are all to me

You formed the land and the rolling sea

You are my God and You're all to me

Who scattered stars across the sky

Who caused the sun and moon to shine

Who makes the desert a life-giving spring?

Who but the Lord on high?

It is our Father's good pleasure

To share His kingdom and love

come to the Source of all holy joy

Come to the throne of God
