

Glenn Lewis, Lonely

1ST VERSE

Baby how you been
I been doing fine
Been taking my time to get myself on track
Why'd you never call
You used to have my back
Whenever I'd fall you were always there for me
Now you're not at all
So it's been awhile
Been trying to figure out when it's my turn to smile
I think that time has come
Be careful what you say
If it's game you want then you know I came to play

CHORUS

Don't think too bad of me
It's just so sad to see
You used to be proud of me
Now you're gonna' be
Lonely
Now you're a lone
Now you're a lone
Now that I am back

2ND VERSE

Now you say what's up
Because you know the deal
What you think I feel when I lay down at night
Because I don't have you
You think I'm not alright
I say this for myself
I don't need nobody else
Before it's too late
You better think twice
Love or you can hate me all that you like

CHORUS:

Don't you think too bad of me
It's just sos ad to see
You used to be so proud of me
Now you're gonna' be lonely
Lovely
Now you're alone
Now you're alone
Now you're alone
Now you're alone
Now that I am back
