

Glenn Miller, Faithful Forever

FIVE O'CLOCK WHISTLE

Glenn Miller

The five o'clock whistle's on the blink,
The whistle won't blow and whadd'ya think?
My pop is still in the factory 'cause he don't know
What time it happens to be.

The five o'clock whistle didn't blow
The whistle is broke and whadda'ya know?

If somebody don't find out what's wrong

Oh, my pop'll be workin' all night long,

Oh! Who's gonna fix the whistle?

Won't somebody fix the whistle?

Oh! Who's gonna fix the whistle?

So my poor old pop will know

It's time for him to stop

Ya ought to hear what my mommy said,

When papa came home and sneaked into bed

And told her he worked till half past two

'Cause the five o'clock whistle never blew.
