

Glenn Miller, My Prayer

The Nearness Of You

Artist: Frank Sinatra from the 4-CD set The Voice: Frank Sinatra, The Columbia Years 1943-1952

Words and Music by Ned Washington and Hoagy Carmichael

Its not the pale moon that excites me

That thrills and delights me, oh no

Its just the nearness of you

It isnt your sweet conversation

That brings this sensation, oh no

Its just the nearness of you

When youre in my arms and I feel you so close to me

All my wildest dreams come true

I need no soft lights to enchant me

If youll only grant me the right

To hold you ever so tight

And to feel in the night the nearness of you
