

# Glenn Tipton, Stronger Than The Drug

Sent me to see if I can do some good  
'cause you can depend on it  
To poison your blood  
Pay with your life  
You disagree  
Nothing comes easy  
Nothing is free

Oh! my life  
Such a cold, cold night

Don't let me down  
Don't do it this time  
Got enough reasons  
Still got enough time  
Wasting away  
Got to come through  
Nothing achieved  
Yet still got  
So much to do

All my life  
Living through a cold, cold night  
Just like you  
I've got too much to lose

Had enough  
Lord above  
Keep telling me  
I'm stronger than the drug

Saw a light shine  
From above and I  
Knew right away  
I'm stronger than the drug

Got to get away  
Where there's a will there's a way  
And it bothers me  
The state you're in  
Wasted dreams

And I know it's true  
You live a lie  
Just look at you

And I can't explain  
The way I feel  
The change is strange

I've had enough  
Lord above  
Keep telling me  
I'm stronger than the drug

Saw a light shine  
From above and I  
Knew that I'm  
Stronger than the drug

You will lose  
Have to say  
That you came from nowhere  
Got back that way

I refuse to  
Just because you do  
I've had enough  
Say  
I'm stronger than the drug

Say it  
Say it  
Say it

Stronger than the drug

Stronger than the drug

Stronger than the drug

Stronger than the drug

Say it
