

Glideascope, Big Big Disgrace

Wat dem a call dis, is a big big disgrace

Bad child
Bad child

Education is a must, yo inna god me ball u put yu trust
Yo, becar, becar, youth dem gwarn bad
And dem fe gwarn well better

Yo dissa yoot upon the mic me nah fret
Me inna dance seh me nah get inna det

Watch dissa yoot man me nah fret
Come dancehall and me well intellect
All de yoot fe listen ah me de Pied Piper
Watch Junior Ruff upon de mic me seh me betta
That's why me seh

Dem neva las longer
Cos yes dem too darker
Cos dem too badder
Dem seh dem a gooder
If yu wanna live longer
You betta tek carer
You must go a schooler
Respect for your mother
Don't forget father
Listen to teacher
And the headmaster
Finish your schooler
And don't go astrayer
Gwarn go tun lawyer
Or even a doctor
And surely your days pon de earth will be longer

All de yoot dem better listen to me
Pied piper, me an MC
Anywhere me go, yu better follow me
Follow me to the town
And follow me to the country, yo
All de yoot dem better listen to me
Pied piper, me an MC
Anywhere me go, yu better follow me

All de yoot dem better listen to me
Pied piper me an MC
Anywhere me go, yu better follow me
Follow me to the town
And follow me to de country
Yo, all de yoot dem better listen to me
Pied piper me an MC

Pied piper me an MC

Das why me seh

Dem neva las longer
Cos yes dem too darker
Cos dem too badder
Dem seh dem a gooder
If yu want to live longer
You betta tek carer
You must go a schooler
Respect for your mother

Don't forget father
Listen to teacher
And the headmaster
Finish your schooler
And don't go astrayer
Gwarn go tun lawyer
Or even a doctor
And surely your days pon de earth will be longer

Dem neva last longer
Dem neva last longer

Ex-con to icon, get inspiration
From the right human
You might lead a nation
Incorporate mediation

Global warming
It is a warning
Watch the ozone layer
De hole-ah, yo is gettin' biggah
Amazon forest gettin' smaller
Yo wat we gonna do-ah
Plant some trees seh all ova de world-ah
It might get better
