

Glitter Kicks, One And Only

You don't know me but I know you
You hide behind the small talk
but I'm watching you
Following your trail
Searching for a clue
You don't know me but I know you
You're my secret one and only
I keep it to myself
Hold you deep inside
I won't tell anybody else
I will never let you go
I've built a house for you inside my soul
And if you try to leave it
You should know
I will never let you go
Because you're my secret one and only
I keep it to myself
With you in my mind
I can't have anybody else
I'll be waiting
I'll be waiting
I'll be waiting
For you
I'll be waiting for you
