

# Global Kryner, Y asi

Dyou know the girl who came from Cuba  
She loves our music and our songs  
She came and she saw  
Austrians dance quite slow  
Her shaking hips were inspiration  
To change the rhythm of our songs  
So now, heres the chance  
To see how she would dance

Refrain

Bailar como Latina  
El ritmo puro de la msica alpina  
Y as, y as, y as baila la chica del caribe  
The second part of our story:  
The girl from Cuba fell in love  
The boy, shed adore  
Could dance and sing and more  
He was the master of the Yodel  
His ... was unique  
Oh he, was so smart  
She danced and won his heart

Refrain

Bailar como Latina  
El ritmo puro de la msica alpina  
Y as, y as, y as canta el cantante de los alpes  
Y as, y as, y as baila la chica del caribe  
Y as, y as, y as canta el cantante de los alpes
