sweet life

? ?

tonight

Say!! good-bye good memories

Hey!! good-bye good memories

?

?

Hey!! we can't stop the smoking time

Yeah!! we can't stop the drinking time

Fly high and high

Over night

In my eyes

Say goodbye

Tell you why

Please help!

My small pain

It's growin' again and again

Can't say goodbye Can't let it die  
some other time

Say!! good-bye good memories

Hey!! good-bye good memories

?

?

Hey!! we can't stop the smoking time

Yeah!! we can't stop the drinking time

Say!! good-bye good memories  
Hey!! good-bye good memories  
Hey!! we can't stop smoking time  
Yeah!! we can't stop drinking time  
Say!! good-bye good memories
