

Glodagh Rodgers, Jack In The Box (Eurovision 1971)

Stop ! Don't say you'll put me down
Love don't go away.
Drop my feet back on the ground.
Open your arms let me stay.
Hold me like you know you should
don't leave me on the shelf
like a doll you throw away
so sad and lonely all by myself.
I'm just your -
Jack in the box
you know whenever love knocks
I'm gonna bounce
up and down on my spring
a toy start when it stops
I'm just your jack in the box
because for your love I'd do anything
la

Who just keeps my heart around
loves to pull the strings ?
You ! and when it's upside down
look at the way that it swings.
I can't help the way I feel
it's you and noone else
calls the tune
but all too soon
I'm just a doll put back on the shelf.
I'm just your -
Jack in the box
you know whenever love knocks
I'm gonna bounce
up and down on my spring
a toy start when it stops
I'm just your jack in the box
because for your love I'd do anything
