

# Gloomy Grim, Blood

jesus christ come here  
And you will be crucified again

All the churches will burn,  
I have plenty of Nails

I had enough of your weakness,  
Turn the other side and that stuff  
Why the Hell I must show if I am weak?  
I prefer Fight back and be proud.

We take you to Golgatha  
And you suffer again  
This time you will leave here  
Ashamed, Torn and Ripped

Piece by Piece

THIS TIME YOU DON'T COME BACK!  
THIS TIME IS IT ALL OVER.
