

# Gloria Estefan, Always Tomorrow

I've been alone inside myself  
For far too long  
I never really wanted it that way  
But I let it happen  
If I could do it all again  
My life would be  
Infinitely better than before  
I wouldn't waste a moment  
(I'd) Make time for laughing with my friends  
Make love, make music, make amends  
Try to make a difference  
Try to love, try to understand  
Instead of just giving up I'd use  
The power at my command

'Cause there's always tomorrow  
To start over again  
Things will never stay the same the  
Only one sure thing is change  
That's why there's always tomorrow

I guess it took a little time for me to see  
The reason I was born into this world  
And what I'd have to go through  
For I've finally realize that I could be  
Infinitely better than before  
Definitely stronger  
I'll face whatever comes my way  
Savor each moment of the day  
Love as many people as I can along the way  
Help someone who's giving up  
If it's just to raise my eyes and pray

'Cause there's always tomorrow  
To start over again  
Things will never stay the same the  
Only one sure thing is change  
That's why there's always tomorrow

Before your last setting sun  
And everything your heart  
Has longed for  
Has yet to be (one)  
Yes there's always tomorrow  
Though people come and they go  
But if you've brought some love to their lives  
Then you've got something to show
