

# Gloria Estefan, Get On Your Feet

You say I know it's a waste of time  
There's no use trying  
So scared that life's gonna pass you by  
Your spirit dying  
Not long ago  
I could feel your strenght and your devotion  
What was so clear is now overcast  
With mixed emotions  
Deep in your heart is the answer  
Find it, I know it will pull you through

Get on your feet  
Get up and make it happen  
Get on your feet  
Stand up and take some action  
Get on your feet  
Don't stop before it's over  
Get on your feet  
The weight is off your shoulder

I think it's true that we've all been through  
Some nasty weather  
Let's understand that we're here  
To handle things together  
You gotta keep looking onto tomorrow  
There's so much in life  
That's meant for you

Get on your feet  
Get up and make it happen  
Get on your feet  
Stand up and take some action  
Get on your feet  
Don't stop before it's over  
Get on your feet  
The weight is off your shoulder
