

Gloria Estefan, Get On Your Feet

You say I know it's a waste of time
There's no use trying
So scared that life's gonna pass you by
Your spirit dying
Not long ago
I could feel your strenght and your devotion
What was so clear is now overcast
With mixed emotions
Deep in your heart is the answer
Find it, I know it will pull you through

Get on your feet
Get up and make it happen
Get on your feet
Stand up and take some action
Get on your feet
Don't stop before it's over
Get on your feet
The weight is off your shoulder

I think it's true that we've all been through
Some nasty weather
Let's understand that we're here
To handle things together
You gotta keep looking onto tomorrow
There's so much in life
That's meant for you

Get on your feet
Get up and make it happen
Get on your feet
Stand up and take some action
Get on your feet
Don't stop before it's over
Get on your feet
The weight is off your shoulder
