

Gloria Estefan, Good Night My Love By Gloria Es

Good night my love
pleasant dreams
sleep tight my love
May tomorrow be sunny and bright
And bring you closer to me
Before you go please remember I need you so
And this love that I have for you
Will never grow cold
If you should awake in the still of the night
Please have no fear for I'll be there
You know I care
Please give your love to me dear only
Good night my love
Pleasant dreams
And sleep tight my love
May tomorrow be sunny and bright
And bring you closer to me
Before you go please remember I need you so
And this love that I have for you
Will never grow cold
Good night my love
Good night my love
