Gloria Estefan, Here We Are

Here we are Face to face We forget, time and place Hold me now Don't let go Though it hurts and we both know The time we spent together's gonna fly And everything you do to me Is gonna feel so right Baby when you're loving me I feel like I could cry 'Cause there's nothing I can do To keep from loving you Here we are

All alone

Trembling hearts, beating strong Reaching out, a breathless kiss I never thought could feel like this I want to stop the time from passing by

I wanna close my eyes and feel Your lips are touching mine Baby when you're close to me I want you more each time

And there's nothing I can do To keep from loving you There's nothing I can do I'm helpless in your arms Oh baby what you do

I'm in love, this is it

There's no turning back this time

No no no Here we are Once again

But this time we're only friends

Funny world Sometimes lies

Become the game, when love's the prize

And though no one knows what's going on inside

And all the love I feel for you Is something I should hide When I have you close to me The feeling's so sublime That there's nothing I can do To keep from loving you
