

# Gloria Estefan, Hold Me, Thrill Me, Kiss Me

Hold me, hold me  
Never let me go until youve told me, told me  
What I want to know and then just hold me, hold me  
Make me tell you Im in love with you  
Thrill me, thrill me  
Walk me down the lane where shadows will be, will be  
Hiding lovers just the same as well be, well be  
When you make me tell you I love you  
They told me be sensible with your new love  
Dont be fooled thinking this is the last youll find  
But they never stood in the dark with you love  
When you take me in your arms and drive me slowly  
Out of my mind  
Kiss me, kiss me  
And when you do Ill know that you will miss me, miss me  
If we ever say I do, so kiss me, kiss me  
Make me tell you Im in love with you  
Kiss me, kiss me  
And when you do Ill know that you will miss me, miss me  
If we ever say I do, so kiss me, kiss me  
Make me tell you Im in love with you  
Never, never, never let me go
