

Gloria Estefan, Let It Loose

Lookin' out for trouble, lookin' to succeed
Tut, tu-ru ru, tut tut, tu-ru ru
Set yourself free
Baby, loosen up your tie

Papu mao, mao, papu mao mao mao
Ooh let it loose
Ooh let it loose

Breakdown in the tempo
Cold sweat constantly
Play the radio loud and get lost in the beat
Come on baby let it slide

Papu mao, mao, papu mao mao mao
Ooh let it loose
Ooh let it loose

Rock n' roll in danger from machinery
Tut, tu-ru ru, tut tut tu-ru ru
Sing it with me
Tut, tu-ru ru, tut tut tu-ru ru
Tut, tu-ru ru, tut tut tu-ru ru hey
Tut, tu-ru ru, tut tut tu-ru ru
Tut, tu-ru ru, tut tut tu-ru ru

One more time with lots o' soul
Almost till ya lose control
