

# Gloria Estefan, You've Made Me So Very Happy

I lost at love before  
Got mad and close the door  
But you said try just once more

I've chose you for the one  
Now I have been so much fun  
Your treated me so kind  
I'm about to lose my mind  
You've made me so very happy  
I'm so glad you came into my life

The others were untrue  
But when it came to loving you  
I'd spent my whole life with you  
'Cause you came and you took control  
You touch my very soul  
You always showed me that loving you is were it's at

You've made me so very happy  
I'm so glad you came into my life

Thank you baby!

I love you so much you see  
You're even in my dreams, I can hear  
Baby, I can hear you calling me  
I'm so in love with you all I ever gonna wanna do is  
Thank you baby, thank you baby

You've made me so very happy  
I'm so glad you came into my life  
You've made me so very happy  
You've made me so, so very happy baby  
I'm so glad you came into my life

Thank you girl  
Everyday of my life  
I wanna thank you  
You made me so very happy  
I wanna spend my life thanking you

Thank you baby  
Thank you, baby
