

# Gloria Gaynor, I'll Be There

Now if you feel that you cant go on  
Because all your hope is gone  
And your life is filled with confusion  
And happiness is just an illusion  
And your world around is tumblin down  
Darling, reach out  
Reach out, for me.

Ill be there to love and comfort you...(tell me baby)  
Ill be there with the love Ill see you through

Now when youre lost and about to give up  
cause your best just aint good enough  
And you feel the world has grown cold  
And youre driftin on your own  
When you need a hand to hold  
Darling, reach out  
Reach out, for me.

Ill be there to love and comfort you  
Ill be there with the love Ill see you through

Ill be there to love and comfort you  
Ill be there to with the love Ill see you through

I can tell you the way I hang your head  
Now with out of love , now youre afraid  
And through your tears you look around  
But theres no peace of mind to be found

I know what youre thinking  
Witout love, now youre alone  
Baby, reach out  
Reach out for me

Ill be there to love and comfort you  
Ill be there with the love Ill see you through

Ill be there to love and comfort you  
Tell me baby  
Ill be there to always see you through  
Ill be there

Ill be there to love and comfort you  
Ill be there with the love Ill see you through.
