

Gloria Gaynor, I'll Be There

Now if you feel that you cant go on
Because all your hope is gone
And your life is filled with confusion
And happiness is just an illusion
And your world around is tumblin down
Darling, reach out
Reach out, for me.

Ill be there to love and comfort you...(tell me baby)
Ill be there with the love Ill see you through

Now when youre lost and about to give up
cause your best just aint good enough
And you feel the world has grown cold
And youre driftin on your own
When you need a hand to hold
Darling, reach out
Reach out, for me.

Ill be there to love and comfort you
Ill be there with the love Ill see you through

Ill be there to love and comfort you
Ill be there to with the love Ill see you through

I can tell you the way I hang your head
Now with out of love , now youre afraid
And through your tears you look around
But theres no peace of mind to be found

I know what youre thinking
Witout love, now youre alone
Baby, reach out
Reach out for me

Ill be there to love and comfort you
Ill be there with the love Ill see you through

Ill be there to love and comfort you
Tell me baby
Ill be there to always see you through
Ill be there

Ill be there to love and comfort you
Ill be there with the love Ill see you through.
