

Gloria Gaynor, More Than Enough

My God is more than enough
he can supply all my needs
he is my El Shaddai
he always looks out for me
Jehovah Jirah he is my God 2x
all of the earth is his
and the fullness there of
hes everything that i need
you can be sure of
Jehovah Jirah he is my God 2x
So why should I worry bout the highs and the lows
the ups and the downs
and by my faith i know
my God is more than enough
he can supply all my needs
he is my El Shaddai
he always looks out for me
Jehovha Jirah he is my god 2x
