

# Gloriana, Over Me Now

You said you were over me.  
You just stood there  
And watched me  
Falling apart  
You didn't care  
What it did to me  
You never even  
Thought twice  
About breaking my heart  
Didn't you get what you wanted?  
Isn't she everything  
You said I wasn't?  
Are you over me now?  
Tell me how does it feel  
To be the one left without,  
To lose something so real?  
Now that your world's crashing down  
Are you over me now?  
I did what you told  
Me I should do  
I stopped wasting my tears  
And moved on with my life  
Now that you've seen me  
With some one new,  
That drives you crazy  
Makes you hate me baby  
Isn't that right?  
I hope it was worth it, (I hope it was worth it)  
Sorry it hurts you baby,  
But you deserve it  
Are you over me now?  
Tell me how does it feel  
To be the one left without  
To lose something so real?  
Now that your world's crashing down,  
Are you over me now?  
Now that I'm over you  
Now that she's through with you  
Are you over me?  
Tell me how does it feel  
To be the one left without  
To lose something so real?  
Now that your world's crashing down  
Are you over me now?
